

Retirement Call Accounting Software

Retirement Facilities use CASH+ Call Accounting Software to:

- **Revenue Generating**
- Report and Bill Long Distance charges to Residents
- Applying Recurring (monthly) and Non-Recurring (incidental) charges to Residents
- Produce detailed Invoices for Residents
- Emergency and/or Custom Alert Notification
- Automated reports – No Personnel Needed
- Monitor Trunk Activity to Analyze Line Requirements

Features & Benefits:

CASH+ allows you to create long distance packages for residents. For example, you can apply 60 free minutes to any resident by using our feature called “Room Manager”.

Using CASH+ Call Accounting allows you to easily recover the cost of equipment (incidental) charges, service (recurring) charges and telephone calls.

To monitor Trunk Activity, CASH+ Call Accounting Software provides useful reports for analyzing present and future line requirements to ensure all residents are able to access an outside line to enable them to stay in touch with their friends and family members.

The Call Alert Notification feature in CASH+ Call Accounting Software is designed to notify staff of emergency, security or other administrative issues. It is an invaluable feature when an immediate response to emergencies is crucial.

Organizations such as Heritage Manor (Evergreen) use our software and find that it has provided them with a valuable solution for their call accounting needs.
