# Multi-Tenant Call Accounting Software

Multi-Tenant Organizations use CASH+ Hansen Call Reports to:

- Generate Revenue with Flexible Surcharge Capabilities

- Allocate Telephone Costs by Tenants

- Manage Tenant Telecommunications Costs

- Manage Equipment and Service Charges

- Monitor Trunk Activity to Analyze Line Requirements

Features & Benefits:

In an office environment with several tenants, recovering costs for long distance calls and equipment costs from each tenant is an administrative nightmare! CASH+ Hansen Call Reports easily allocates long distance charges to specific departments, locations or divisions.

CASH+ Hansen Call Reports also provides a Multi Rate Department Feature which allows you to customize a preferred phone rate structure for specific tenants.

By monitoring Trunk Activity, CASH+ Hansen Call Reports provides useful reports for analyzing present and future line requirements to ensure an adequate number of lines are present.

Organizations such as **Corporate Offices Business Centre Inc.** use our software and find that it has provided them with a valuable solution for their call accounting needs.
