# Convention Centers Call Accounting Software

Convention Centers use CASH+ Hansen Call Reports to:

- Generate Revenue with Flexible Surcharge Capabilities

- Recover Telecommunication Costs From Tenants

- Allocate Toll Calls and Equipment Costs by Department, Station or Location

- Monitor Trunk Activity to Analyze Line Requirements

- Provide Emergency and/or Custom Alert Notification

- Detect Misuse and Abuse
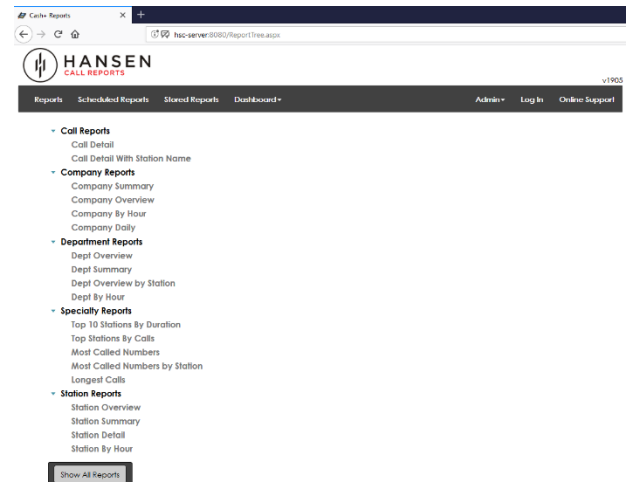

Features & Benefits:

Convention Centers must manage several temporary and permanent tenants each month in addition to managing their own administrative departments. The need to recover and allocate telephone and equipment costs are a must. Numerous reports are readily available to assist you with this.

With CASH+ Hansen Call Reports, all telephone activity is logged and recurring monthly charges are posted. Long distance costs are applied, and then allocated to specific departments. CASH+ Hansen Call Reports efficiently allocates all telephone time and charges.

By monitoring Trunk Activity, CASH+ Hansen Call Reports provides useful reports for analyzing present and future line requirements as well as staffing necessities.

Organizations such as **Oregon Convention Center** use our software and find that it has provided them with a valuable solution for their call accounting needs.
